Current River Soccer Program 2017 - Mosquito Division

Parents, Guardians and Players,

Thank you for registering with the Current River Recreational Soccer Program! It's exciting to have so many families interested in keeping this long-time running league in the community. Although coaches have already been assigned to teams, many only have one available, so it would be appreciated if others can offer assistance with games (limited soccer experience necessary). Volunteers are crucial to the success of our program; without them this league would not exist.

The Program is focused on fun, learning, equal opportunity, fitness, and good sportsmanship; any unsportsmanlike behavior will not be tolerated.

The soccer season commences on Monday, May 15, 2017 and ends on Wednesday, June 28, 2017; please see below for game times and locations. Soccerama, including a banquet, is scheduled for Saturday, June 17, 2017 (Rain or Shine!). A separate schedule will follow with game times and other specifics.

You will be notified of any game cancellations due to weather by your child's coach as soon as possible prior to games; there will be no "make up" games.

Please note that soccer cleats and shin guards are not mandatory, but are useful in preventing slipping on the fields and protecting against balls and feet to the shins. Please ensure that your child brings their own water bottle to every game.

We have also been informed that City's Parking Authority will be enforcing the following "**no parking**" by-laws this spring and summer: on the grass in the parks, within 1.5 m of a driveway, within 9 m of an intersection, within 3 m of a fire hydrant, in no parking zones, in bike lanes, and on the boulevard.

Mosquito Game Schedule		
ALL GAMES Played at Field 5 (Mosquito Field)		
Date	6:00 to 7:00 pm	7:00 to 8:00 pm
