

Current River Soccer Program 2017

Parents, Guardians and Players,

Thank you for registering with the Current River Recreational Soccer Program! It's exciting to have so many families interested in keeping this long-time running league in the community. The Program is focused on fun, learning, equal opportunity, fitness, and good sportsmanship; any unsportsmanlike behavior will not be tolerated.

The soccer season is tentatively scheduled to commence on **Monday, May 15, 2017 (weather and field conditions dependent)** and end on June 28, 2017. Soccerama, including a windup banquet, is set for Saturday, June 17, 2017 (Rain or Shine!). A separate letter will follow with game times and other specifics.

Please note that soccer cleats and shin guards are not mandatory, but are useful at preventing slipping on the fields and protecting against balls and feet to the shins.

Once registration is over and teams have been formed you will receive a call from your child's coach confirming which team your child is on, game times, etc. Game times for each division have been tentatively set as the following:

- Tyke: 5:30 pm – 6:30 pm
- Squirt: 5:30 pm – 6:30 pm
- Atom: 6:35 pm – 7:35 pm
- Mosquito: 6:00 pm – 7:00 pm or 7:05 pm – 8:05 pm

Soccer field locations are as follows:
